Academic Learning

1

Theme Learning

Focus on introducing chosen concepts through varied activities.

Emotional Intelligence

Identify emotions through songs, stories, dance and drama.

Reading

Encourage children to learn to read and encourage book reading.

Fine and Gross Motor Skills

2

Fine Motor Skills

Activities such as coloring, pattern-making, and assembling puzzles.

Nature Exploration

Take walks in the park, observe nature, and learn about plants and animals.

Gross Motor Skills

Play in the playground, running, and movement games to develop balance and coordination.

Light Sports Team Play

Lay ball or engage in simple sports games to enhance physical skills.

Arts and Creativity

3

Painting and Crafts

Coloring, creating simple artworks, and art projects using basic materials.

Drama and Role-Playing

Children can participate in pretend play and simple drama activities.

Outdoor play is a big part of growth

Natural way for children of all ages to do physical activity. It's good for children's health and well-being to be physically active through play. Being active burns energy and can help prevent illnesses in adulthood.
